BLUE AND GOLD VENTURES, MULTI-PURPOSE COOPERATIVE (BGV)

Blue and Gold Ventures, Multi-Purpose Cooperative (BGV) is composed of retired and former employees of Miriam College. They created BGV to promote the cooperative way of life for improving the social and economic wellbeing of their members.

Today BGV operates the Sewing and Supplies Centers of the school, providing goods and services to the community. Because of its cooperative set-up, its staff members are also part-owners of the organization. This ensures commitment and quality for each commissioned project.
